ACCESSORIES

102

Alexander Rose is dedicated to ethical environmental practices when harvesting wood to ensure the rainforest is carefully managed. All of our timber products are responsibly sourced, so you can buy with confidence, knowing you are helping to safeguard the future of our rainforests.

In-house Design

At Alexander Rose we understand that good design is not just about the look of the product; it's about the experience; how something feels, and how it makes us feel.

Everything we do is a combination of aesthetic design, functionality, and comfort. Working extensively with mixed materials and circular design ethics, the design team continue to develop beautiful, high quality, sustainable furniture.

245 251 257

Alan Morley

Began his career as a furniture draughtsman and cabinet maker in Brighton, England, before launching his own contemporary furniture design and manufacturing business in 1983.

As the resident designer since 2003 for Alexander Rose, Alan has developed many collections of innovative furniture that maintain the company's position at the forefront of the outdoor furniture industry. Cordial, Sorrento, and Dana Lounge, are notable designs that have been internationally recognised.

Louis Radtke

Louis started at Alexander Rose in 2021 having completed his BA in Product Design at the University for the Creative Arts.

Since joining the company, Louis has co-designed 2 outdoor timber collections: Dana and Bolney and our new indoor collection, Trak.

Eager to pursue his passion for furniture design and craft, he is looking forward to creating many more exciting new ranges for Alexander Rose in the future.

kvadrat

Kvadrat Patio Outdoor fabric range is an upholstery textile developed for outdoors, which offers exceptional colour vibrancy. Designed by Karina Nielsen Rios, it is made with a highly durable, specially developed Trevira CS yarn.

A result of 3 years intensive research, Patio features a fluorocarbon-free, environmentally-focused finish, which is water-repellent and fast-drying. It also provides resistance against chlorine, seawater and artificial weathering and is flame-retardant. In addition to its technical features, it also stands out for being soft to the touch compared to other outdoor fabrics.

Patio is suitable for all outdoor spaces, as well as other areas, like spas and indoor pools, where high-humidity and chlorine are a factor.

What is FSC®?

Sustainability is incorporated into all our core values at Alexander Rose. An example of our commitment can be seen on the tick tree logo found on all our wooden furniture, as awarded by the FSC® (Forest Stewardship Council.) They're an international non-profit and their small but mighty symbol represents the responsible forestry behind every piece of our garden furniture within our beautiful timber range.

For our wooden products to carry the FSC® label, the forests from which we source our timber must meet stringent criteria, including compliance with all applicable laws & regulations, the well-being of all workers, rights of ownership for all indigenous people and the commitment to restoration of ecosystem services.

We source sustainable materials and work with factories that demonstrate fair and appropriate employee conditions. Wherever possible, the waste generated from our production process is recycled and our products aren't unnecessarily over packaged.

It's important for us that we prioritise our environmental and ethical responsibilities, both now and for the future and, for us, being FSC® certified is one part of that ongoing commitment.

The mark of
responsible forestry

Look for FSC® certified products

Dana

10^{Year}
Warranty*

Dana is our newest range, which proudly sits in our Signature collection of luxury garden furniture.

Our in-house designers were keen to create a mid century Danish design which proudly showcases elite joinery and workmanship.

Teak furniture is often bold and chunky. Yet the desire for our Dana range was to create furniture which would still benefit from the unrivalled qualities of teak, but with a far more elegant appearance.

The Dana seat pad is woven from a durable outdoor rope. With reference to traditional paper-cord weaving seen on Danish classics, the Olefin cord offsets the Teak, giving the chair visual harmony and balance.

*For full warranty information, please visit: www.alexander-rose.co.uk/about/our-warranty

Inspired Craftmanship & Sophistication

The clean lines and simple silhouettes of this collection make for very contemporary and elegant garden furniture, which looks beautiful on any patio or terrace.

Sorrento

10^{Year}
Warranty*

Invite your imagination on a journey to this beautiful Southern Italian peninsula, where you're sipping Limoncellos and snacking on olives and nuts, and before too long realise that you are in fact in your own garden enjoying the most luxurious of all of our garden furniture, the Sorrento.

This premium range has been a real success with our customers, which is why we've now introduced a dining set to the collection, alongside the award winning existing lounge set.

Using FSC® 100% quality Teak sourced from sustainable forests in Brazil, it's incredibly hard wearing and durable and will weather and age beautifully over time. You also get a 10 year warranty with all Teak products.

The Kvadrat fabric on the modular cushions is water resistant so we supply easy to use waterproof shower-cap covers to slip over the cushions when not in use.

This luxury garden furniture really is absolute perfection!

*For full warranty information, please visit: www.alexander-rose.co.uk/about/our-warranty

International Design Award

Our in-house designers of the Sorrento Lounge were the proud winners of an International Design Award in 2021. Key to the success was the material selection, along with the form of the modules and acute attention to detail on every joint and assembly of the frames.

Kvadrat Fabrics

Our Sorrento cushions come in 5 beautiful earthy shades, which are made from Kvadrat fabric and have deep roots in Scandinavia’s world-famous design tradition. Each colour is calming and inviting in equal measures and look dreamy next to the beautiful teak.

Plank

10^{Year}
Warranty*

Our Plank range signifies strength, simplicity and practicality. Using tried and tested construction methods to create very striking, bold pieces of furniture.

The tables come in 2 sizes, 2.4m and 3.0m and the Teak top is made using 5 hand-selected planks, picked for their consistent colour and grain. The stretcher rail locates into the cross frames with a locking peg – a traditional joinery detail with a modern twist.

The benches are 1.2m long and can sit alongside the table, or as a standalone bench. Our favourite set up is to pair the table with 2 benches on one side, sitting opposite either our San Marino, Monte Carlo or Cordial woven armchairs.

Plank is a range for those who love excellent quality furniture which makes a real statement.

*For full warranty information, please visit: www.alexander-rose.co.uk/about/our-warranty

The King of Timbers

It's made from one of the strongest timbers in the world, which makes it extremely durable and hard wearing - exactly what you want for garden furniture.

Plank works beautifully with chairs from our San Marino, Monte Carlo and Cordial ranges.

Cordial

5 Year Warranty*

We wanted our Cordial collection to make a statement and to be a talking piece for our customers, and we're confident it's done just that.

Each piece of furniture is crafted from tubular powder coated aluminium frames, that have been handwoven with marine grade olefin rope with a soft rubber core. The rubber core means that only the surface of the rope gets wet during rainfall, and will dry out quickly – around 30 minutes in sunshine and a little longer on a cloudy day. The rope is manufactured to be able to withstand even the most inclement of weather and can therefore be left outside year round.

Available in either dark grey or beige 15mm rope or a chunkier dark grey or light grey 50mm rope. Cushions are available in a choice of 5 earthy Kvadrat Fabrics.

The dining chairs are designed to go with our Rimini dining tables with textured matt grey powder coated frames and ceramic effect coated glass tops.

Our show stopper in the Cordial range is the Lucy Chair. Available either hanging from a cantilever frame, or sitting on a base, this piece acts as a cocoon – a place for you to get cosy and experience ultimate relaxation.

*For full warranty information, please visit: www.alexander-rose.co.uk/about/our-warranty

Weatherproof Rope

The Cordial rope is made from Olefin – a weather proof, fade resistant fibre that can withstand even the most inclement weather. The rope has a thick rubber core, so only the very surface gets wet. This will dry out in the sun in half an hour (a little longer on a cloudy day).

Rimini

5 Year Warranty*

The Rimini collection has two very prominent qualities - firstly the products are sleek and elegant with angular, modern edges, which give an effortlessly sophisticated look to your space. Secondly, the collection is extremely durable and can withstand the harshest weather conditions. The products are made from powder coated aluminium, in a textured matte grey.

The quality of welding and polishing of the frames is easy to see and highlights the craftsmanship of each piece of furniture.

The flagship items of this collection are the 10 seater extending dining table, with it's smooth opening mechanism and the spacious modular corner lounge set, which has a striking strapping detail on the back.

The luxurious, plump and super-inviting cushions come in a light grey colour to complement the mid to dark grey frames. They have a waterproof interliner meaning you can be worry free if they are exposed to a light shower.

Our beautiful extensive Rimini range will undoubtedly transform your outdoor space. And the entire collection comes with a five-year warranty too, although we're confident it'll last you many years beyond that.

*For full warranty information, please visit: www.alexander-rose.co.uk/about/our-warranty

It's all in the details

Be sure to have the back of your Rimini Modular set on full display in your garden – the strapping detail highlights the curve of the modules and means it looks equally as stylish and inviting from the back as it does from the front.

Beach

5 Year
Warranty*

Our Beach collection is known for its luxury comfort and effortless style. This is why it sits in our Signature collection, reserved only for our most premium garden furniture.

We teamed up with UK designer, Carsten Astheimer, to create the beautiful products within this quality range, which includes a modular sofa set with side and coffee tables to match.

The frames are made from powder coated aluminium and the cushions are made from Kvadrat, an excellent quality fabric which has deep roots in Scandinavia's world-famous design tradition. We've carefully selected five earthy colours which look calming and sophisticated in any combination. The fabric itself is water resistant and there is a waterproof interliner surrounding the foam inside, so unwanted rain drops won't have a chance to penetrate.

Trust us when we say that the Beach Lounge modular sofa with plump cushions is every guest's dream.

*For full warranty information, please visit: www.alexander-rose.co.uk/about/our-warranty

All Summer Long

The Beach cushions are fibre filled for ultimate sink in comfort. They come in a choice of 5 earthy colours in our premium Kvadrat fabric. The fabric has a level of water resistance and the filling is wrapped in a waterproof interliner, meaning you can be worry free if they are exposed to a light shower.

San Marino

10^{Year}
Warranty*

The San Marino range encapsulates a sunny, relaxing spot in the Mediterranean and creates a perfect setting for your outside space.

The entire range is manufactured by our team of weavers and welders, out in our factory in the Philippines, which is home to many of the best weavers in the world. Each item of garden furniture in the San Marino collection has been designed with modern aesthetics and ultimate comfort in mind.

The furniture is made from 3mm Red Pine Rose HDPE (High Density Polyethylene) fibers woven onto a sturdy aluminium frame, in a traditional basket weave style which still carries an elegant and contemporary style. San Marino cushions are made using Oatmeal olefin fabric and come with a two-year warranty. The Rose Fibre is long-lasting and 100% recyclable – it's also highly durable, weather and UV resistant, making it the ideal choice for your garden or terrace, in all weathers.

Ocean Pearl

10^{Year}
Warranty*

Our Ocean Pearl range is made from a 7mm flat Pearl Rose weave, which is then hand woven in a traditional basket style pattern, onto a powder coated aluminium frame. This aluminium frame which sits beneath the weave and creates the structure of the furniture is thicker than the industry standard, and this is because we wanted durability to be one of the main qualities of this beautiful garden furniture.

It can be left outside all year round and it won't fade as the weave is coloured all the way through - like a carrot rather than a radish!

We're so confident in the durability of the Ocean Pearl range, that we also provide a ten year warranty on all products. Cleaning couldn't be easier too - simply wipe with a wet cloth, or you can even use a pressure wash.

Chill in our iconic Relax Hut or hang out with cocktails for some much needed "you time" on the Sunset compact sofa set.

Comes with night cover

Alexander Rose hardwood parasols are operated using a pulley and locking pin system. Simply pull the rope down to raise your parasol up to the desired height and place the brass pin in one of the pole holes to secure.

To lower the parasol remove the locking pin and slowly let the rope pass through your hands until the canopy is folded.

We recommend that the parasol is not left up in windy conditions. It is essential to use an Alexander Rose base to add stability.

Charcoal

Taupe

Ecru

A twist on our classic hardwood parasol which has the same trusted pulley and locking pin system.

What’s different about this parasol is the addition of faux leather patches covering the canopy’s tips to reinforce the material.

The thickness of the parasol’s pole has been increased and has a single central pole making for an all-round sturdier parasol.

We recommend that the parasol is not left up in windy conditions. It is essential to use an Alexander Rose base to add stability.

Cantilever Parasols

Cantilever Parasol 3.5mØ

sku: UH35

Comes with night cover

Our elegant cantilever parasols can be positioned to provide maximum shade. They appear to float above the furniture and can be manually rotated to follow the sun.

They are free standing, which allows you to position the furniture underneath rather than around a central pole as with conventional designs. The crank mechanism enables effortless use.

UH35

The UH35 is an 8 spoke 3.5m cantilever parasol. As with the UHP, the easy crank mechanism makes raising and lowering one smooth movement. The canopy

The parasols are made using lightweight durable polyester fabric which is water resistant and easy to clean. To clean your parasol we advise that the fabric is kept attached to the frame. For best results use a soft brush or broom and warm soapy water. For stubborn stains the canopy can be removed and washed at 30°C. Once washed it is important to put the canopy back on the frame to dry.

can be adjusted into 7 positions to give maximum shade from the sun. Use with our UHGB90 granite base. The UH35 comes with a night cover.

sku: UHP

Comes with night cover

UHP

The UHP parasol is easy to operate with a simple handle and lock mechanism.

To rotate the parasol simply unlock the handle and move into the desired position, and then lock the handle to secure.

The UHP can be easily bolted to an Alexander Rose UHGB50 granite base. To be used with a FC17 cover.

Cantilever Parasol 3.0mØ

sku: UH30

Comes with night cover

UH30

The UH30 is an 18 spoke curved 3.0m cantilever parasol.

It's easy to raise and lower the canopy with a crank handle mechanism.

The canopy can be adjusted into 7 positions to give maximum shade from the sun.

For use with the UHGB90 granite base. Comes with a night cover.

Cantilever Parasol 3.0m x 3.0m

sku: UH30S

Comes with night cover

UH30S

The UH30S is an 8 spoke 3.0m square cantilever parasol.

It's easy to raise and lower the canopy with a crank handle mechanism.

The canopy can be adjusted into 7 positions to give maximum shade from the sun.

For use with the UHGB90 granite base. Comes with a night cover.

H 160 W 450 D 450 Wt 12kg

Cantilever Base 50kg

sku: UHGB50

H 70 W 600 D 600 Wt 50kg

Comes with integrated wheels

The composite base is for use with parasols being used through the centre of a table.

It has 2 locking handles on the stem of the base to secure the parasol in place, minimising movement.

The UHGB50 base is designed to be used with the UHP range of cantilever parasols.

It has convenient small wheels, allowing the base to be moved along a flat surface easily.

Cantilever Base 90kg

sku: UHGB90

H 140 W 760 D 760 Wt 90kg

Comes with locking wheels

The UHGB90 base has been designed to be used with the UH35, UH30 and UH30S.

The UHGB90 has locking wheels, allowing the base to be moved along a flat surface easily. The wheels lock in place to prevent any movement when not in use.

Cushion Storage Bags

Polyester Small Cushion Bag

sku: FC16

H 500 W 1200 D 370

The small cushion bag is designed for seat pads and recliner cushions, it will also hold several scatter cushions. All of our bags are weather resistant. We recommend storing cushions in the bag in a dry place when not required.

Polyester Medium Cushion Bag

sku: FC24

H 550 W 850 D 620

The medium cushion bag is designed for seat pads and recliner cushions, it will also hold several scatter cushions. All of our bags are weather resistant. We recommend storing cushions in the bag in a dry place when not required.

Ripstop Large Cushion Bag

sku: FC23

H 800 W 1800 D 470

The large cushion bag is designed for our larger cushion pieces, such as the Ocean Hut, modular sofa sets and Beach Lounge sets. We recommend storing cushions in the bag in a dry place when not required.

Furniture Covers

Our covers are breathable and protect against the build up of dirt and ensure less furniture maintenance is required. The covers come with ties and cords for securing to the furniture. It may be necessary to place an object such as a bucket between the furniture and the cover. This will reduce the amount of sagging and will help the airflow around the furniture.

Furniture & Fabric Treatments

Over time, as part of the natural weathering process, cracks and splits will appear in your Teak furniture due to the evaporation of natural oils in the wood from exposure to the elements. This is a normal characteristic for any timber which remains outdoors. Our furniture is designed with this in mind and its strength and durability will be unaffected. Our Teak furniture can be treated with our specially formulated care products to give a beautiful finish and enhance the look of the wood.

To keep your cushions looking their best, clean regularly using our Fabric Cleaner. Dampen the fabric, spray the cleaner onto the affected area and leave for 3-10minutes, allowing it to work it’s magic. Rinse with clean water and allow to dry. Add a layer of protection once dried, using the Fabric Shield – this adds a layer of water resistance and helps to prevent stains.

		
Timber Cleaner	Colour Protector	Timber Shield
sku: GT2	sku: GT3	sku: GT5
